Key features

- ClickUp allows users to create, assign, and track their tasks. (User tasks create kar sakte hain, unko assign kar sakte hain aur unka track kar sakte hain.)
- Users can set task priorities and assign deadlines. (User tasks ko priority de sakte hain aur unke liye time assign kar sakte hain.)
- ClickUp offers custom views like Kanban and Calendar, allowing users to customize their interface. (User apni UI ko customize kar sakte hain.)
- ClickUp includes real-time commenting and collaboration, allowing users to assign tasks, comment, and edit documents in real-time. (Real-time mein tasks assign kar sakte hain, comments de sakte hain aur documents ko edit kar sakte hain.)
- ClickUp integrates with third-party applications like Trello and Jira. It also supports automation with Zapier, which helps automate repetitive tasks. (ClickUp third-party applications ke saath integrate hota hai jaise Trello aur Jira. Platform Zapier ke saath bhi work karta hai jo repetitive tasks ko automate karne ke liye use hota hai.) ClickUp includes built-in time tracking and reporting features. (ClickUp mein built-in time tracking aur reporting features bhi hain.)

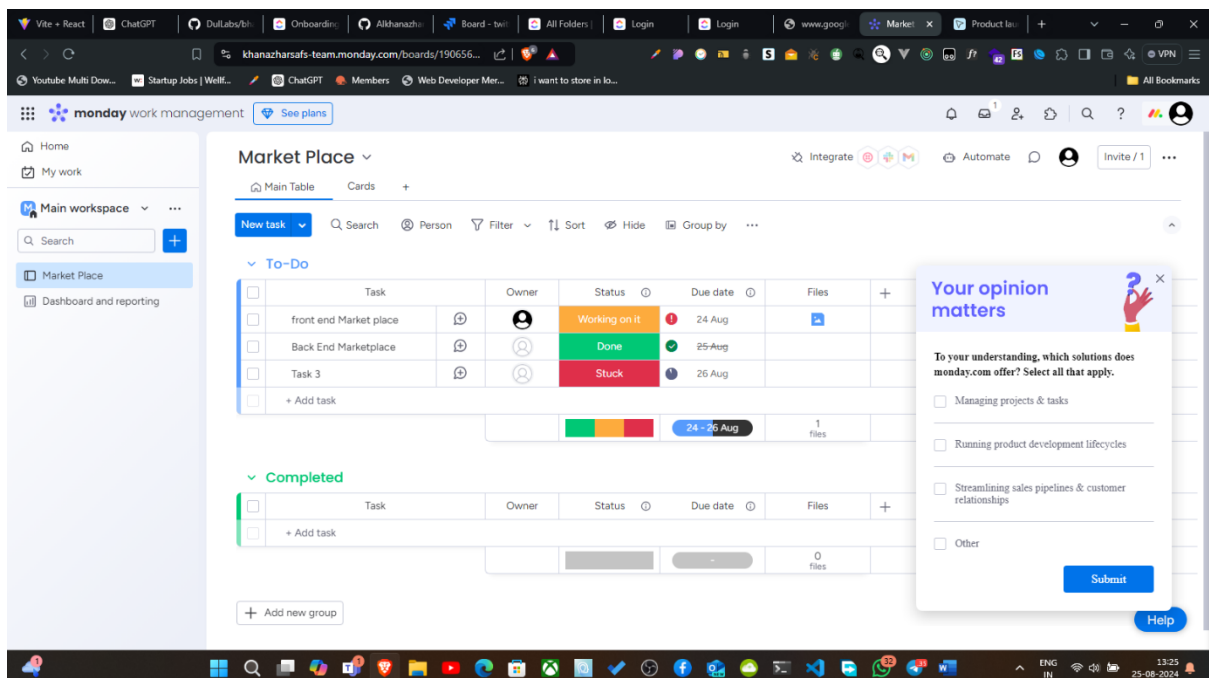

Dashboard of airtable

The screenshot shows the Airtable 'Product launches' dashboard. The left sidebar contains a 'Market Place' dropdown and a list of items: 'Product launches', 'Overview', 'Launch Calendar', 'Tasks', and 'Roadmap'. The main area is titled 'Product launches / Overview' and features a table of products. The table has columns for 'Launch Name', 'Status', 'Launch date', 'Owner', 'Description', and 'Tasks'. The data rows are: 'Falcon 9' (Completed, 6/4/2023, Azhar Khan, Revolutionized the user e..., Code review), 'Starship' (On track, 12/31/2023, -, Integrates cutting-edge t..., Bug fixing), 'Apollo 11' (Completed, 7/16/2023, Azhar Khan, A groundbreaking produ..., Design database), and 'New Glenn' (At risk, 1/1/2023, -, Designed to provide top..., Project documentation). A '+ Add product' button is at the bottom left of the table.

Launch Name	Status	Launch date	Owner	Description	Tasks
Falcon 9	Completed	6/4/2023	Azhar Khan	Revolutionized the user e...	Code review
Starship	On track	12/31/2023	-	Integrates cutting-edge t...	Bug fixing
Apollo 11	Completed	7/16/2023	Azhar Khan	A groundbreaking produ...	Design database
New Glenn	At risk	1/1/2023	-	Designed to provide top...	Project documentation

Dashboard of Monday.com

The screenshot shows the Monday.com 'Market Place' dashboard. The left sidebar has a 'Main workspace' dropdown and a list of items: 'Home', 'My work', 'Main workspace', 'Market Place', and 'Dashboard and reporting'. The main area is titled 'Market Place' and features a table of tasks. The table has columns for 'Task', 'Owner', 'Status', 'Due date', and 'Files'. The data rows are: 'front end Market place' (Working on it, 24 Aug, 1 file), 'Back End Marketplace' (Done, 25 Aug, 0 files), and 'Task 3' (Stuck, 26 Aug, 0 files). A '+ Add task' button is at the bottom left of the table. A 'Your opinion matters' survey pop-up is visible on the right side of the dashboard.

Task	Owner	Status	Due date	Files
front end Market place		Working on it	24 Aug	1 files
Back End Marketplace		Done	25 Aug	0 files
Task 3		Stuck	26 Aug	0 files

They work on agile methodology
